Mrs. Manly —

After Calling you up
yesterday and not getting
an answer I thought
that it would be better to
write - I don't fault you
at all for not getting in
touch with me this year,
but I do feel somewhat
bad - over you not getting
in touch with me after
the opening of the season
last year. I really don't think
that you believe that I
really meant to treat you
or Mr. Manly a dirty trick.
I was forced to do what
I did and don't think that

I did not hurt y^es plenty
seen on the opening
Ground - then went to
~~Spotted~~ Spotted there
to see if I were working,
y^es I was approached
by one of them, now

I am writing explaining
my side of the Case -

I would appreciate
any answer - as to
whether you will use
me this year or not.

Respectfully

Denny Moore
